Overview

Dura Pier Facilities Services, LTD dba Facilities Sources is an uniquely qualified construction company which has its roots in structural foundation repair in Houston, Texas and has evolved and diversified into a multi-faceted construction company since its inception in 1990. Facilities Sources supplies quick turnkey, integrated, quality construction services with multi-trade capabilities for the educational, institutional and commercial markets. With specialty licenses for electrical, mechanical, and plumbing services, Facilities Sources is able to efficiently coordinate all phases of construction, providing maximum productivity, quality and safety to its customers. This unique combination of services under one roof means one team is efficiently completing the job, ensuring maximum productivity and quality, at the least possible price, adding to customer satisfaction. Currently providing multi-trade/multi-discipline job order contracting services statewide enables Facilities Sources to share benefits of its expert staff and professional relationships and create great value for its customers.
