Overview

PowerSchool is the #1 U.S. leading provider of K-12 education technology solutions reaching 75% of students in North America. Established in 1997, our commitment of providing educators the best tools to help students succeed has fueled our passion to unite educational technology into one, easy-to-use solution. PowerSchool has approximately 2,600 employees and backing from leading investment firms aligned to PowerSchool's long-term vision and success. PowerSchool has been recognized as one of Inc. 5000's 2020 and 2019 Fastest Growing Private Companies in America. The company has also been recognized with several other product and corporate awards in K-12, including CODiE, EdTech Breakthrough, and a Gold Stevie Award to name a few. PowerSchool has a full suite of K-12 education technology solutions, from the front office to the classroom to the home. PowerSchool helps schools and districts efficiently manage instruction, learning, grading, attendance, assessment, hiring, teacher evaluations, analytics, state reporting, special education, student information systems, talent, finance, and HR. During our long history of innovation, we have made significant investments in the development of our solutions to eliminate traditional technology silos. The results have streamlined administrative processes and informed classroom instruction with comprehensive data. At PowerSchool, our mission is to power the education ecosystem with unified technology that helps educators and students realize their potential, in their way. What this means for our schools and districts is a strong partnership with a passionate, growing company dedicated to your goals, objectives, and success.
