Overview

TechTerra Education is a company with a global reach and urgent mission – STEM Literacy for All. TechTerra finds the most innovative tools for teaching and learning across the globe, supports developers in understanding classroom fit for STEM tools, builds STEM tool curriculum, provides professional development in STEM and Makerspaces, and offers STEM programs. TechTerra Education has worked with teachers and administrators globally since its inception in 2015. Through its individual team members, consisting exclusively of current and former professional educators, TechTerra Education understands the needs of schools in this changing landscape.
