Overview

The R.E. Michel Company is a HVACR Wholesale Distributor. We were founded in Baltimore, Maryland in 1935. Over the past 85+ years we have grown to be one of the largest distributors on HVACR and propane equipment, parts, and supplies. With over 300 locations operating in 31 states we are the largest privately held HVACR/Propane distributor in the United States. While we may be new to you, we have been a leader in the industry for a very long time! Our goal is top-notch service to over 60,000 customers and growing. We achieve this with 2,000+ employees; a warehouse of 1.5million square feet with over \$100 million in inventory; and 70 tractor trailers refill each branch one or more times per week. If you need it, we'll do everything possible to provide it! Customer First!
