## **Overview**

*ACP delivers value by implementing the right IT solutions, not just competitive hardware pricing. Often utilizing our local warehouse, configuration/integration and staging facility, means less downtime and maintenance for our clients over the long term, and increased productivity. It also means time saved, service and performance headaches avoided, reduced total cost of ownership and business objectives achieved. With our client-centered CreativIT™ approach, we design unique, custom solutions that enable you to overcome your specific challenges and achieve your business goals. The depth of employee profile in our organization allows us the agility needed for this client-centered approach. And the extraordinary experience and techno-fluency of our staff ensures the effectiveness of every solution we create. ACP creates IT solutions for small to midsize businesses, large enterprises, K12 school districts, Higher Education institutions, State & Local Government agencies and other organizations. Our clients include Fortune 500 companies and the second largest pharmacy chain in the US.*
