Overview

COMPREHEND is a nonprofit organization based in Lewisville, Texas. Beginning in 2015, our curriculum was developed in both paper and digital forms to serve the most challenging students in 3rd – 12th grades. We learned that our solutions work as well with advanced students as they do in credit recovery and supplemental applications. Today, with 24 of the top 50 alternative accountability charter schools in Texas, including ISDs, using our curriculum for core classes, we are a proven leader in student success.
