Overview

For more than a half a century, Xerox has been a leader in document technology and services. We continue to build on this heritage of innovation. Through our acquisition of Affiliated Computer Services, we now are the world's leading enterprise for business process and document management, offering global services from claims reimbursement and automated toll transaction to customer care centers and HR benefits management. The new Xerox is dedicated to innovation, service and giving our customers the freedom to focus on what matters most: your real business. 140,000+ employees. 12,000+ active patents. Founded in 1906. \$600 million invested in RD & E in 2013. This contract allows for the flow through of various services and or items that the customer may require from the Xerox fulfillment partner (Reseller) relating to the installation, management, or ongoing support of the listed Xerox Equipment. These items may include, but are not limited to custom installation services, pre-configuration services, customized monthly services, as well as related and required non-Xerox ancillary hardware or software needed to achieve the desired operational benefit of the Xerox Equipment. Any additional flow through services or items will be directly related to the operation of the Xerox solutions.
