Overview

Since 1999, East Coast Roofing Products has provided specialized solutions in the roofing industry as a manufacturer's representative firm. At East Coast Roofing Products, we believe in being a vital and valuable resources between Manufacturers, Architects, Wholesale Distributors, Contractors and Building Owners. Our affiliations with our manufactures allow us to build value and sustainable building envelope solutions when addressing the needs of our customers. Our knowledgeable and experienced sales team specializes in the appropriate selection of materials necessary to comply with the latest versions of the building code as well as related energy concerns. ECRP is available to provide specification creation, tapered insulation design, survey existing roofs, energy analysis, and architectural education.
