Overview

Visual Edge IT is a Managed IT Services Provider that provides local IT services and support to businesses all across America. Our team consists of dedicated professionals that are focused on helping organizations to grow and succeed. Our experience in IT solutions and services span over two decades of collaboration with entities in all sectors including SMB, Healthcare, Financial, Government, Education, and Not-for Profit, helping them meet their daily IT and business objectives. We pride ourselves on our unique blend of national corporate professionalism and local collaboration to provide IT support services in locations nationwide. We guarantee our clients that they will always work with experienced professionals and receive personalized IT services that speaks with them, not for them. The solutions that we offer are best of breed and we partner with technology leaders like Microsoft, Google, AWS, Datto, and Barracuda. With this RFP response we are offering Backup Solutions. All of our backup solutions have an on premise device and an associated cloud repository to ensure backup security and provide flexibility in recovery operations.
