Overview

Knockout Sportswear. Manufacturer of FULLY Custom Sublimated Team Uniforms for all sports. Our goal is to provide individually unique, innovative, and quality sporting apparel at the best possible price. We offer full design and manufacturing services for your team. KO specializes in sublimation printing, where any design is possible! Our dye sublimation process involves unique sublimation inks and special sublimation transfer paper. The designs are first printed onto the transfer paper and then when placed under high temperature, the ink is impregnated permanently into the fibers of the fabric. This process guarantees your uniforms will never crack fade or peel! That means you can enjoy your uniforms for years to come! Knockout Sportswear marketing executives work closely with the design team to ensure that the design process brings your vision alive! You can choose from hundreds of existing designs, or you can create your own, one of a kind gear!
