Overview

Wendel Energy Services is a nationally recognized Energy Services Company providing Guaranteed Energy Savings Contracts to clients across the country. As a division of Wendel Companies with an 80-year history, Wendel Energy Services has the internal staff to design and implement deep energy retrofits for a variety of clients in the municipal, education, healthcare and transportation markets. Wendel is vendor neutral, ensuring that clients get the most appropriate and cost-effective solution for their turnkey energy efficiency projects. Our projects are led by licensed and certified professionals with an ethical obligation to our clients and the public. Wendel implements projects using a collaborative process that provides our clients with the control and transparency they deserve.
