Overview

Power Generation Equipment – Sales, Rental, Service, And Parts Under One Roof In Houston, TX We are a leading rental, industrial sales and service company in the Houston, Texas, area. We can supply all your equipment needs related to the following: Diesel, natural gas, bi-fuel and dual fuel generators for any contingency. Reliable and well maintained engines and generators. New, used and reconditioned engine parts and accessories to save you time and money. Tools to help you get the job done. Extensive, well-stocked inventory of brand-named high quality equipment. Financing and competitive pricing for those on a tight budget but prefer to own equipment as an asset for the company. Sales, Service Or Rentals Within our used inventory, we ensure that the equipment is inspected and tested before purchase. Our devoted technicians are experienced with rebuilding engines to meet the highest standards. We assure that our equipment are maintained in top condition. We provided the maximum quality and fully functional used units to satisfy our customers. We offer used inventory that consists of many name brand units such as Caterpillar, Cummins, and HIPOWER. Worldwide Power Products is a leading resource for new, surplus, used and remanufactured engines and generator sets. Our extensive, searchable database includes diesel, natural gas and bi-fuel engines from major manufacturers including Caterpillar and Cummins, and we are an authorized HiPower distributor. Whether you seek to buy or rent power-generation equipment, or require expert maintenance, service, parts replacement or custom packages, WPP stands ready to help you Power On.
