Overview

Little Sponges® interactive curriculum, digital content, and teaching materials enable students to learn English, Spanish, Chinese, French, German, and Russian. Our program is designed to improve engagement and learning outcomes for English Language Learners and students in DLL and world language programs in preschool through second grade. We provide schools with a wide range of learning tools, including real-life videos, formative learning games, assessments, and training for teachers. Our program integrates language learning and academic content, works on any device (TVs, computers, tablets, and smartphones) and encourages parent engagement. You can learn more about our curriculum and see a sample lesson in each language at www.little-sponges.com
