Overview

Millennium Project Solutions, Inc. is a commercial general and electrical contractor serving the greater Houston area for 22 years. We bring 80 years of contracting experience working with federal and state entities, higher education systems and independent school districts. Our capabilities include knowledge on how to complete construction projects safely in critical areas like schools or active facilities. Utilizing job order contracts and understanding the purchasing process involved, we can stand by our systems as well as our workmanship. We have proven our expertise with a wide range of clients building a reputation as someone you can trust. We are woman owned, family owned and a certified Historically Underutilized Business.
