Overview

Advanced Educational Products, Inc., headquartered in Western New York, is a HUBZone Certified Small Business Concern contractor offering book and multimedia acquisition services to public and private institutions worldwide. Established in 1992, our company offers a comprehensive suite of fulfillment services tailored to meet the needs of government and academic institutions and their demanding ordering, Library Processing and reporting requirements. Our extensive procurement capabilities allow us to acquire millions of titles in print from thousands of U.S. and foreign publishers; and countless out-of-print, rare and special order titles through a worldwide network of specialty dealers. AEP strives to provide superior customer service understanding that procurement officials from institutions of all sizes want personalized relationships with their service providers. All AEP customers receive one-on-one assistance for quoting, answering questions, processing claims, and expediting orders. AEP is a book and multimedia supplier with a difference and going beyond by providing our customers with efficient, accurate, and professional services- just what they need to keep their procurement flowing smoothly.
