Overview

Applied Practice materials are literature and language-based for English and topic-based for math, science, and social studies. Each product line provides support for the current test-driven environment by offering classroom activities written in the style and format of various standardized test assessments, while covering content typically taught in a unit of study. Applied Practice materials provide support for the following test formats: Advanced Placement (AP), Scholastic Aptitude Test (SAT), ACT Tes! The State of Texas Assessments of Academic Readiness (STAAR), and Common Core State Standards. Other instructional materials and Professional Development workshops are also available.
