Overview

Siemens Industry, Inc. is a NAESCO accredited ESCO providing performance contracting services nationally. Siemens is a global powerhouse focusing on the areas of electrification, automation, and digitalization. One of the world's largest producers of energy-efficient, resource-saving technologies, Siemens is a leading supplier of systems for energy management and power generation, and advanced transportation solutions. Siemens in the U.S. reported revenue of \$23.7 billion, including \$5.0 billion in exports, and employs approximately 50,000 people throughout all 50 states and Puerto Rico. Siemens has over 350 offices in US across the product and service portfolio, making us a national as well as a local partner, regardless of where customer operations are sited.
