Overview

Video Reality has been in the Professional audio/video business for over 20 years. We have been creating custom integration solutions for schools, government agencies, and businesses throughout Oklahoma and Arkansas and Texas that provide customers with the latest modern technology. We provide several value added reseller services, such as direct buying from manufacturer and manufacturer trained and designated employees, including, but not limited to: Crestron certified programmers, SMART designated sales professionals, installers, & technicians, Cheif certified partners, CTS credited individuals, and many others. As a leader reseller for SMART Technologies, we are consistently ranking as one of their top 10 dealers nationwide. Because we are such a dedicated SMART authorized reseller with a top of the line, full service training center and showroom, we can offer the best local support for all your interactive need. We have installed SMART Boards, projector systems, digital signage, video conferencing, stadium sound and integrated control systems into universities, vocational schools, public schools, and distance learning labs across Oklahoma, Arkansas and Texas. We are committed to providing amazing technology solutions through our vast product line, distinguished professional installations, and quality customer service.
