### Overview

*Fibertown Data Centers is a trusted Texas leader in providing resilient, fault tolerant, purpose built colocation data center space. Our facilities offer secure, storm-hardened, raised floor space to house your mission critical servers and systems infrastructure with a 100% Uptime SLA (Service Level Agreement) for power, environmental conditions (cooling), and connectivity. Our customer service and security personnel are on site and ready to help 24/7/365. Each Fibertown campus offers resilient dedicated office space for day-to-day and disaster recovery/business continuity needs. We are Texas owned and operated since 1997 building trusting, long term relationships with our customers. We offer strategically diverse locations to support a complete colocation approach.*

*From the unmatched expertise that creates flexible, custom solutions to the day-to-day support from highly skilled technicians, we deliver it like no one else. Our team of local professionals – you recognize and count on – are with you every step of the way and available at a moment's notice. Learn more at <http://www.fibertown.com> or call (979)393-9100.*
