Overview

Presentation Solutions was founded in 1990, and has an A+ rating with the Better Business Bureau. We are also both a state winner and a national finalist for the "Better Business Bureau's Torch Award for Marketplace Ethics". We work almost exclusively with schools, and have tailored our systems to fit perfectly into the K-12 market. Our products include the ColorPro Family of Poster Makers, which consist of three models designed specifically for K-12 schools: The CoolLam 25" non-heat and non-electric laminator; and the Recognizer Cutout, Sign, Award and Recognition System. We are a company which your school can feel confident in working with, and carry the top-of-the-line products in the industry. If you want the best systems with models to fit any budget, we invite you to check us out!
