Overview

Expert telecom team helping you save money. You're already paying for us, why not use us!

Televon provides technology management services to government agencies and non-profits. This includes Administrative and Support for Cellular Services, Office 365, and Telecommunication Services. Televon clients realize 30% cost savings while improving the productivity of their in-house teams.

Televon's services are paid for out of the savings Televon generates for you. It is a win-win for both organizations.

Televon works for, and with, your technology team, finance, administrators, and existing providers to ensure all purchased services are at the lowest possible price and working appropriately. "It's like having an extra team of experts working just for me, but instead of paying more, I am saving money!"
