Overview

The Baresque Group is a world leading designer, fabricator and distributor of premier acoustics, urban furniture, commercial wallcoverings and fabrics.

We're a family-owned Australian business that has worked with designers and end users on workplace, education, hospitality and healthcare projects for almost 50-years.

Our products aren't just beautiful, they're technical and clever. They give designers unique opportunities to create amazing interior and urban spaces that withstand the harshest wear and tear.

We have sales distribution across the USA, Europe + Australia and a team of engineers and designers based at our Sydney, Australia Head Office that customise and create unique solutions for the trickiest projects.

Our mission is to create better spaces that improve the lives of the people who use them. We believe in quality furniture and materials for beautiful spaces.
