Overview

Data Management, Inc., (DMI) the makers of TimeClock Plus, is recognized as both a leader and an innovator in the Workforce Management space. Founded in 1988, TimeClock Plus has become one of the largest time and attendance solution providers in the United States, helping organizations around the world to solve their most challenging workforce management issues in a simple and efficient way.

Based in San Angelo, Texas, TimeClock Plus employs over 300 professionals dedicated to delivering flexible and scalable technology solutions to our over 65,000 customers. Through many years of delivering software systems, TimeClock Plus has gained a keen awareness to their technology needs allowing the organization to deliver innovative and flexible solutions that solve the most challenging business issues.

Additionally, TimeClock Plus offers true extensibility, which means that the software can be scaled to the meet the needs of any sized company. That said, the best technology in the world is only as good as the service and support that back it up and in this regard, TimeClock Plus stands alone. Our "Above and Beyond" approach drives everything we do in delivering a quality deployment experience for our customers.
