### Overview

*Based in San Antonio, Texas, RCI is a recognized leader in a variety of management consulting fields, and has performed information management services for local governments, school districts, institutions of higher education, and other public entities for over 25 years. We provide a wide range of products and services, which include Fixed Asset Inventory Management Services and Software, Historical Cost Research for GASB #34/#35 reporting, Infrastructure Valuations, Property Appraisals for insurance purposes, and Records Retention & Document Management Solutions and Software.*

*We are a privately held Texas corporation; the firm is financially secure with no litigation history. The Company was formed as a microfilm service bureau in 1980, and subsequently added records management services and our fixed asset inventory program. Insurance appraisal services were a later addition to RCI's product line. In addition, RCI provides secure on-site document destruction services.*

*Reflecting RCI's commitment to customer service and efficient project management, all engagements are staffed from the Company's corporate office. RCI has approximately 60 full-time employees. RCI takes clear ownership of any project and will provide TIPS members with the highest degree of accountability. Further evidencing the Company's commitment to customer service, RCI does not use voice-mail: Clients will always speak with a member of RCI's staff during normal business hours.*
