Overview

Over the past five years, Tech Defenders has been an IT asset disposition and mobile device solutions provider in the K-12 space with a focus on device buyback and repair. We purchase over 400,000 devices and repair at least 200,000 devices annually. Working with schools nationwide, our team of 150+ employees can process and repair over 40,000 devices per month at our facility in MI. Our experience in the K-12 industry affords us a high level of expertise in devices that we serve. Our location in Grand Rapids, MI allows us to provide white-glove service across the country as required. We have seen significant growth in the past few years, and have been recognized as a growth engine for the local economy in Western Michigan. Please accept this submission as Tech Defender's summary of relevant qualifications and our interest to engage in a professional business relationship.
