Overview

National Electrical Services, Inc. dba IPS PowerServe - encompasses a wide range of testing and maintenance procedures intended to improve the dependability, safety, and efficiency of your equipment and facility. We are committed to being a leader in the field services and maintenance industry. National Field Services has extensive experience in substation operations, upgrades, and modifications. We are a primary service provider for substation maintenance and circuit breaker repair, testing, maintenance, and retrofitting for S&C Electric. National Field Services is also a low and medium voltage authorized service contractor for ABB. National Field Services is uniquely able to service customers at their facilities. We can provide heavy onsite installation, testing, start-up services, and recovery operations.
