Overview

For over twenty years, RYCOR has developed software exclusively for K-12 school Districts in North America, specializing in solutions that help schools maximize their resources. RYCOR Online Payments and Fee Management, our flagship products, are feature-rich and flexible solutions that put cash receipting, fee management, online forms, and secure online payments in the hands of the District and its schools. With the tools to standardize student accounts, invoicing, fee collection and payment allocation, our software will allow your District to recognize additional revenue and save on valuable time and resources.
