Overview

Monsido, a Web Governance software solution that specializes in Website Accessibility auditing and training (WCAG 2.0). We also include full quality assurance scanning, SEO optimization, web analytics, uptime monitoring and prioritization in an all-in-one suite. We work primarily within education (K12, Higher Ed), state and local government, finance, health and not for profit industries. We pride ourselves on how easy our platform is to use, but if you do need help, unlimited training and support is included with your annual subscription.
