Overview

Established in 1995, Red River is a Technology Transformation IT solutions provider with Corporate Headquarters in Claremont, NH, and Federal Headquarters in the Washington, DC metro area. We support customers in the commercial, civilian, military, healthcare, and education markets worldwide. We provide a wide range of capabilities and cutting-edge IT solutions designed to solve current challenges, optimize available assets, and help make meaningful IT investments that align with the strategic goals of our customers. Key solution areas include Data Center, Network Infrastructure, Storage, Software Development, and Mobility. We provide Consulting Services along with Supply Chain Management and Professional, Managed, and Support Services to maximize process improvements and cost savings. Our technology expertise and mission-critical experience help our customers optimize their business processes and extend the value of their IT investments
