### Overview

*<p>Commercial Audio Systems Inc dba Commercial AudioVideo Systems&nbsp;is a complete design and installation company for audio, visual, integration products and services. We design and install complete display systems for all sources and projections of video, as well as sound systems for simple classrooms, boardrooms, break out rooms, performing arts theaters, gymnasiums and sports complexes - including football, baseball, softball, track & soccer fields. We design and install control automated touch panel control systems, for audio/video, lighting, shades, drapes and all other compatible devices. We are a one stop shop as we have a full staff of designers, technicians and installers. We are a direct dealer for most major manufacturers of products in this field. We are located in Springdale AR with crews that work nationwide.</p>*
