### Overview

Over 1500 school districts and fifteen state agencies, encompassing over 10,000 cafeteria sites, have received assistance by Cybersoft Technologies to improve and manage their processes involved with providing healthy, nutritious meals to over a million school children. The PrimeroEdge suite provides a complete, fully integrated school nutrition solution for K-12 school districts and state Departments of Education. A set of over 15 modules provide all the functions needed for comprehensive school food operations from processing meal-benefit applications and managing the verification process, completing and tracking meal transactions at the point of service, providing inventory management and order processing, to planning and producing USDA compliant menus and menu items. We will help you simplify your food operations and reduce costs while providing the highest quality nutrition for your students.
