Overview

<p>PolyPrinter manufactures 3D printers and offers 3D printer related service, tools and supplies. Our printers include classroom friendly features like a full enclosure and internal air filtration system. They are fast, quiet, user friendly, and require little maintenance overall and practically no maintenance or fiddling in between prints. We also supply all of the items 3D printers use along with the tools required to use and maintain them. In addition, we offer Onsite repair services and staff training</p>
