### Overview

*Windstream is a leading provider of advanced network communications and technology solutions for consumers, businesses, enterprise organizations and wholesale customers across the United States. We provide data, cloud solutions, unified communications and managed services to small business and enterprise clients. We also offer bundled services, including broadband, security solutions, voice and digital television to consumers. We supply core transport solutions on a local and long-haul fiber network spanning approximately 147,000 miles. Windstream Enterprise believes people should expect more from their service provider. Our mission: as network, security and application performance become continuously more critical, We will be the partner that responds to unique customer needs – a pathfinder and trusted advisor to help navigate a world of constant change. Empowering customers to connect, transform and elevate their businesses. We collaborate with customers to drive digital transformation with solutions to solve today's most complex business and IT challenges, including empowering cloud migration, elevating customer/constituent experience, enabling productivity/collaboration, and enhancing security and compliance. Windstream tailors solutions to customer needs: No two organizations are exactly the same. Your networks shouldn't be either. We take the time to get to know you and your goals, applying deep experience and knowledge to design, build, deploy, monitor, and optimize the right solution for your organization today and to meet your needs tomorrow. From there, we provide ongoing expertise, surrounding you with a 360° customer service and support experience from a team dedicated to achieving your agenda.*
