Overview

Osceola Cuts, LLC is the home of Code Red Guard, our patented steel access control system specially designed with schools in mind. This protection system is not limited to schools, but is a great asset for churches, colleges, government buildings, etc. Code Red Guard is an affordable, fail-safe door lock & door window protection to block unauthorized intruders, including active shooters, from classrooms. Our access control system does not use electricity or internet, is easy and quick for educators to use, and has no ongoing costs, maintenance, or software upgrades.
