Overview

Check My Universe® LLC is a software development company headquartered in Frisco, Texas. We serve state government school districts, Higher Education- community colleges and Universities, and k-20 vertical in Edtech software solutions and services.

Our three digital products are: We launched these tools before covid, pivoted during covid with online courses and integrated zoom conferencing and served our adult students through pandemic. Now we are excited to get this products to our school district and k-20 vertical in local state districts and colleges in North Texas.

- 1. Social Media for Education™ . This is a School Leadership and Professional development Tool.*
- 2. Social Media for Engagement™ . This is K-12 student and teacher engagement tool.*
- 3. Texas STEM Skills GEM (Gap Employment Model)™ . Designed with a robust curriculum to skill-up our adult learners in STEM with more than just certification and degree. Post-Covid skills gap has risen unemployment in our graduated and Diploma holders. We aim to net them with this Program and model. We cannot do this without partnering with our local state agencies.*
