Overview

We are a leading global provider of climate-control solutions. We design, manufacture and market a broad range of products for the heating, ventilation, air conditioning, and refrigeration ("HVACR") markets. We have leveraged our expertise to become an industry leader known for innovation, quality, and reliability. Our products and services are sold through multiple distribution channels under various brand names. The Company was founded in 1895, in Marshalltown, Iowa, by Dave Lennox, the owner of a machine repair business for railroads. He designed and patented a riveted steel coal-fired furnace, which led to numerous advancements in heating, cooling, and climate control solutions.
