Overview

Safety Vision, LLC is a pioneer in the mobile surveillance industry. The company was founded in 1993 with the goal of enhancing vehicular safety through the deployment of comprehensive video surveillance solutions. SV designs and supplies products that help improve visibility to protect assets, reduce liability, maximize operational efficiency and, most importantly, enhance safety. SV caters to five key industries – mass transit, pupil transportation, law enforcement, first response, and the work and transportation truck industry. Customers range from the public to the private sectors and the purposes of products range from increasing public safety to decreasing private liability.
