### Overview

*Pavecon offers a wide variety of services including demolition, asphalt patching, concrete patching, seal-coating, striping, signage, ADA compliance construction, excavation, gravel base installation, asphalt paving & overlays, concrete paving, curb & gutter, cement stabilization, crack-fill, and storm drainage improvements. We also offer a state-of-the-art pavement recycling system that allows us to reuse even the most severely damaged pavements, to reconstruct the subgrade, which results in a more stable pavement surface than original construction.*
