Overview

Your Protection is our Business.

Ensuring your safety, security and well-being...that is our primary goal. You could even say that your protection is our business.

RC Security Consulting provides your facility, home, school or business with some of the most advanced Security alarms, Fire alarms, access control, CCTV, and VOIP Hosted phone systems available today.

Our objective is simple. We want to become your exclusive low voltage equipment specialist. How do we intend on doing this? First off, we extend to you our commitment to world class service and support. We are driven to be the best and do the best for you. Extraordinary service for extraordinary people. We also offer our clients a unique advantage over many "corporate branded" shops, in that we can choose which products we carry. Why should you pay inflated prices for an obsolete or proprietary electronic systems and devices? We understand the investment you are making. We have done the research and have chosen product lines with the quality, reliability and affordability that you deserve and we demand.

We offer our services including design, installation, retrofit, repair, inspection and monitoring. We protect the heart of Texas. We are centrally located in Collin County and we provide service for the entire DFW Metroplex.

If you have any questions or are in need of our services please contact us at 469-626-7272.
