Overview

Absolute Communications and Network Solutions, Inc. is a network services company founded in 1989. We are a turnkey solution provider for voice, data, network, audio / video and security. We can provide a variety of services from design, engineering, installation to management and service.

Absolute has a long and successful history of providing high quality services to our customers over the past 30 plus years. This, along with our attention to detail, are key to building trust and long lasting relationships with our customers.

Our team of qualified professionals, designers, engineers, IT specialists, tower climbers and field technicians lives by our value system and is managed by a highly experienced executive management team. This team of driven industry veterans have extensive experience and success across a broad spectrum of telecom markets and technologies, including wireless networks, fiber networks, cable TV, VoIP, security access and control systems, IT networks, CLECs, tower leasing and more.
