Overview

The Pencil Ladies, LLC was created in January 2018 by two recently retired teachers with more than 60 years combined experience in the classroom whose mission is to help teachers and students. We provide Gifted and Talented training, ELAR education consulting, student support services, ELAR staff development as well as ELAR supplemental materials specifically for reading and writing. Our teacher-created workbooks, Winning Writers workbooks (GR 2-6) and Champion Writers teacher/student workbooks (GR 6-12) are sold in conjunction with a 6-hour training that provide teachers with strong writing strategies to meet Texas Student Standards. The strategies and activities in these workbooks can be readily used in the classroom with little expense and preparation time, and they make vertical alignment for grades 2-12 manageable for all teachers. Also, our "read then write" workbooks-Building Connections (GR 3-5) and Bridging Connections (GR 6-9)- provide TEKS aligned multi-level, hands-on reading and writing activities. Our workbooks are designed to meet critical thinking skills required by the new Texas Student Standards and to meet the needs of differentiated learning styles.
