### Overview

OEM Systems & Services is a leading provider of IT spare parts solutions for educational institutes nationwide. Established in 1991, we have extensive experience in supplying top-quality spare parts to meet the IT needs of schools and other educational institutions. Our strong relationships with the top manufacturers and suppliers worldwide allow us to offer a wide range of spare parts options to meet the unique requirements of each of our clients. Whether you're a technology director, technician or purchasing agent, our professional staff is dedicated to providing exceptional customer service and support. We understand the importance of keeping your students, staff and IT systems running smoothly and work hard to get the right spare parts to you quickly and efficiently. At OEM, customer satisfaction is our top priority and we take pride in going the extra mile to insure our clients' needs are met.
