Overview

MobileView, part of the Safe Fleet group of companies is a leading manufacturer of video surveillance and fleet management solutions for school and transit buses. In 2017, MobileView joined the Safe Fleet family of brands. Headquartered in Belton, MO, Safe Fleet owns a portfolio of brands that provide increased functionality and integrated solutions for fleet vehicle manufacturers and operators around the world. These brands serve five major markets including: emergency services, transit and school bus and rail, truck and trailer, utility, and industrial. With almost 1000 employees, the Safe Fleet family of brands operates over 500,000 square feet of manufacturing space and targets markets with increasing demand for operator, passenger and pedestrian safety.

MobileViews' mobile surveillance products help transportation managers' capture, record, wirelessly download, view, and easily manage on-board security footage, quickly and reliably. MobileView also offers fleet management solutions such as live vehicle tracking, passenger ridership tracking, and school bus routing which are integrated with mobile video to give fleet managers real-time information about their fleet operations – for total fleet awareness.
