Overview

Our software solutions for students at all ability levels have proven success records in districts throughout Texas. Computer-assisted instruction accelerates acquisition of knowledge and skills in a way that traditional instruction often falls short. Our technology provides consistent individualized instruction, progress monitoring and on-going assessments with embedded re-teaching opportunities. The impact of our carefully selected software will improve student success for those in Special Education, Dyslexia, ESL and Dual Language Programs as well as others not meeting adequate yearly performance.

Texas Educational Solutions has maintained a high degree of customer loyalty by consistently providing teachers with effective materials excellent training and unparalleled service. Our goal is to provide the most effective, research-based software to assist educators in ensuring that all students succeed.
