Overview

NWN Corporation has provided Technology Products and Services since the early 1960's and has grown to a \$325M National IT Systems Solution and Integration company with more than 7,000 customers and approximately 600 employees. Over 60% of our annual business is derived from the Public Sector (which includes K-12 Schools and Districts) and we currently manage approximately 100 technology contracts across the United States. Our solutions provide our customers with proven and relevant IT solutions and services that meet or exceed their unique requirements -- including Product Based Rollouts, Cloud Solutions, Managed Services, Hosted Services, and flexible financing options, as well as Compliant E-Rate Based Solutions! We have partnered with hundreds of public sector agencies across the country, installing affordable state-of-the-art end user computing, data center and networking, and unified computing and collaboration solutions.
