Overview

Sunfinity Solar is a solar energy provider headquartered in Dallas, TX that draws on the natural, renewable resources of the sun to successfully address the growing demand for clean and sustainable energy. Our company was founded by a group of seasoned renewable-energy experts who believe the energy we use should be clean and affordable. Our goal is to become one of the nation's most significant providers of solar energy by offering Municipalities, Businesses, and Homeowners a cleaner, more affordable electricity alternative. Our roots are in clean-energy development. And with one of the most experienced leadership teams in the solar industry, we are ready to put our expertise to work with you.
