Overview

Exterior Materials LLC is a Manufacturer's Representative with more than 20 years building envelope experience. Exterior Materials has a full range of building envelope products. For low slope roofing, Exterior Materials represents Versico Roofing Systems. Versico has positioned itself as one of the top three single-ply roofing system manufacturers in the U.S. by focusing its efforts on quality products and exceptional service. Versico membranes and roofing systems are rigorously evaluated and tested to ensure that you receive an unmatched roof that will provide years of protection for your valuable assets. Fewer than 10% of all roofing contractors in the United States qualify to become Versico Authorized Contractors, ensuring that only the most skilled contractors are permitted to install Versico roof systems. Versico's industry-leading warranties offer building owners unparalleled leak coverage, are transferable, and are available with optional hail, wind, and accidental puncture coverage.
