Overview

Kognito provides dynamic experiential learning designed to improve mental health and well-being in schools, campuses, and communities. Our role-play simulations enable organizations to rapidly build the capacity of educators and students to lead real-life conversations that change lives. Through our practice based learning experiences, Kognito allows you to give every school employee the confidence and skills to initiate critical conversations to improve school climate, safety, and student well-being. Our programs instill life-changing knowledge and skills in your district designed for maximum real-world impact in the following areas: Mental Health & Suicide Prevention, Trauma Informed Practices, Substance Use Prevention, Grief Loss & Crisis Response, Bullying Prevention, Resiliency & Growth Mindset, Dating Violence, Child Abuse, Neglect & Trafficking...plus many more.
