Overview

Since 1971, Landscape Structures Inc., located in Delano, Minn., has been the leading commercial playground equipment manufacturer in the world. Our employee-owned company designs community and school playgrounds that encourage kids of all ages and abilities to learn persistence, leadership, competition, bravery, support and empathy through play. We push the limits—of design, inclusion, play—to help kids realize there is no limit to what they can do today and in the future. And now, with the addition of our SkyWays Shade Division in Dallas, Texas, and Aquatix in Eden Prairie, Minn., we're able to provide a one-stop-shop for all your recreational needs. For a better tomorrow, we play today.
