### Overview

*With over 30 years of JOC experience, F.H. Paschen is one the largest and most experienced Job Order Contracting (JOC) Contractors in the nation. Our roots in Job Order Contracting go back to 1985 when Paschen established a dedicated JOC Division which has since expanded to address the needs of Department of Defense for Multiple Award Task Order Contracts (MATOCs), Multiple Award Construction Contracts (MACCs), and Simplified Acquisition of Base Engineering Requirements (SABERs) nationwide.*

*A fast-track delivery method, Job Order Contracting enables our clients to quickly and cost-efficiently get a wide variety of projects completed through a single multi-year, competitively bid contract that is awarded based on performance and price. We have vast JOC experience that is unmatched in the industry. Most contractors have never done JOC and don't have the foundation to understand or handle JOC's complexities, which include bidding/pricing for thousands of units, and managing multiple, simultaneous projects. On a nation-wide basis we have a staff of 95 devoted JOC professionals and currently manage 85 active JOC contracts for our clients, including Federal, State, and Municipal governments.*

*As a nationwide leader in Job Order Contracting, Paschen has perfected this delivery method. Our team has a thorough understanding of what it takes to successfully complete JOC projects while saving up to 85% of procurement time over traditional methods, with high quality construction and lower cost. This has contributed to our award of NJPA contracts nationwide.*
